Did you know...

The old part of a Moroccan city is called a medina. It is enclosed by walls and is made up of hundreds of tiny streets. This shelters Moroccans from the sun & heat.

DAY 3

TRAVEL Transfer 45min to the Atlas Mountains.

EXPLORE Today will be a day to remember. Jamal, our born & bred Atlas Mt guide, will take you on an uphill walk to those living at the highest homes in Morocco. We'll visit five Berber villages, take photos and get a great workout. All these villages still move their goods by donkey.

ABOUT Electricity and water arrived in 2003 yet time still stands still. It's a once in a lifetime chance to experience a place where time has stopped and traditions dominant daily life.

DINE Mountain picnic.

SNOOZE Kasbah Toubkal or similar
